

Welcome to Kindergarten

Dear Kindergarten Parents,

Welcome to Kindergarten! I'm Mrs. Browning and I am so excited to be teaching Kindergarten here at Curlew Elementary. There is an exciting year ahead, designed to promote, and enhance your child's growth and development all while keeping child's safety in the forefront of our minds.

The structure of daily activities is carefully planned to encourage independence, self-confidence and group cooperation through large group, small group and one-on-one participation in a variety of hands-on, interactive experiences. The activities will incorporate instruction and skill reinforcement in reading readiness, mathematics, writing, science and social studies, art, fine and gross motor skills, social/emotional development skills and language development. Learning will be real and learning will make sense!

This very important year promises to be one filled with discovery and joy as your child works and plays in an environment that is warm, safe, and challenging. Should you have any questions regarding your child's kindergarten experience, please feel free to reach out. I am so looking forward to our working toward a successful school year!

Sincerely,
Mrs. Browning
