PLEDGE OF ALLEGIANCE

NEW BUSINESS:

- **Baseball & Softball Changes for the 2022-2023 Season** Action
Bonnie Grumbach - Curlew School Athletic Director - reported that due to the number of players we currently have, Curlew High School does not have the participation numbers to support a girl's softball program for the 2022-2023 school year. She suggested that for this upcoming season that we combine our softball program with Republic High School allowing Republic to run the 2022-2023 softball program. Mrs. Grumbach also reported that Republic High School does not have the participation numbers to support a boy's baseball program for the 2022-2023 year. Her request was that Curlew includes Republic students in our baseball program for the 2022-2023 season. Sam Olson, our baseball coach, was in support of the change for this season. Noah Theckston, the girl's softball coach in Republic, is also in support of the change for the 2022-2023 season. Barbara Bradshaw motioned to approve the combination of baseball and softball programs with Republic High School. Curlew will run the baseball program and Republic will run the softball program for the 2022-2023 season. Johnna Olson seconded the motion, motion approved.

- **Make Up School Day in March** Action
Curlew School District closed school on November 8th, 2022 due to issues with the HVAC system. March 3rd, 2023 was designated as a non class day for a mid winter break. The Board was asked to change the school calendar to now include that date as a make up day for the missed day in November. Will Beedle motioned to reinstate March 3rd, 2023 as a class day in-lieu of the missed date in November. Barbara Bradshaw seconded the motion, motion approved.
